Hello Redistricting Advisory Committee (RAC) members:

Attached is a copy of the revised **Outreach Talking Points** that include a "State Redistricting" summary, examples of Communities of Interest, and the criteria as presented in the last RAC Training Session: "Three Critical Things to Think About When Defining YOUR Community".

Please note that we moved the **RAC photo shoot** to September 15th following the RAC Outreach Workshop in Tracy.

Also, we're finalizing a more convenient **parking alternative** for you during the RAC meetings, and we'll share the details with you within the next few days.

Finally, Zoey drafted some language you're welcome to use if you receive a substantive comment about redistricting on your **personal social media page** that can't be answered by providing the commenter with the County redistricting website www.wedrawthelines.sjgov.org, or the date, time, and location of upcoming meetings/hearings. The language is as follows:

Thank you for your comment on San Joaquin County redistricting! This is my personal _____ page, so to ensure your comment gets heard by the Redistricting Advisory Committee, please send it to me at _____@sjgov.org, send it to the Committee at redistricting@sjgov.org, or use this [Online form](#)! Thank you!

I look forward to seeing you all next week at the RAC Outreach Workshop!

Glen
