Subject: 11/2 Supervisorial Redistricting update to the Board of Supervisors
Date: Wednesday, November 3, 2021 12:48:13 PM

Hello Redistricting Advisory Committee (RAC) members:

Yesterday David Kwong and Chris Chaffee presented a **Supervisorial Redistricting** update to the Board of Supervisors (BOS). The presentation included sharing the different map iterations that the RAC had discussed, including Draft Plan D2. Chris explained the basis for the maps including District 1 Section 2 Voting Rights Act requirements, Communities of Interest input, and RAC member input. At the end of the presentation, Chris asked the BOS for their comments about Draft Plan D2 that we could communicate to the RAC. The Supervisors shared comments - If you haven't already done so, I highly recommend that you watch the BOS presentation so you can appreciate the context of the Supervisors' comments: <https://youtu.be/6YSGIz9Pr9Y?t=3756>

If you have any questions before the RAC meets on November 10th, please email me at [REDACTED] or call me at [REDACTED]

Thank you,
Glen
