JOB TITLE

HOW DID YOU LEARN OF THE OPENING?

**I have been interested in and following the redistricting process, and searched online whether San Joaquin County had a redistricting committee, as well as vacancies on, said redistricting committee that I could apply to be appointed to.**

BRIEFLY STATE YOUR EXPERIENCE THAT YOU FEEL WOULD BE HELPFUL FOR THE CATEGORY FOR WHICH YOU ARE APPLYING:

**As a resident and a citizen that believes in participation in the civic institutions of local, state, and Federal government, I have taken the initiative to actively consume local news detailing current events that directly affect the communities of San Joaquin County, from the growth of communities as Californians move from the Bay Area to the Central Valley, to new laws affecting the agricultural sector of San Joaquin County's economy. Furthermore, I have familiarized myself with the San Joaquin County Board of Supervisors' 'General Plan 2035' as well as Federal and state laws with regards to the redistricting process to ensure that the result of the San Joaquin County Redistricting Advisory Committee are fair and representative districts for the state and Federal level in 2022.**

BRIEFLY STATE THE PROFESSIONAL AND/OR OTHER COMMUNITY ORGANIZATIONS TO WHICH YOU BELONG:

**As a new resident of San Joaquin County, at the moment I do not officially belong to any professional or community organizations in San Joaquin County, although as a long-term member of the region I fully intend to familiarize myself and participate in my community. However, I see this instead as an advantage: my impartiality, if appointed to the Redistricting Advisory Committee, remains intact.**

**EDUCATION**

**My education level is a high school diploma and progress towards an Associate's Degree for Transfer for Political Science at San Joaquin Delta College.**
