All bids and proposal information is property of COUNTY. All such documents, including this Agreement, are public records per the requirements of the California Government Code, Sections 6250-6270, "California Public Records Act". Pricing and service elements of the successful bid and/or proposal may not be considered proprietary information.

COUNTY will treat all information submitted in a bid/proposal as available for public inspection once the COUNTY has a contract finalized with the selected contractor. If CONTRACTOR believes that it has a legally justifiable basis under the California Public Records Act (Government Section 6250 et. seq.) for protecting the confidentiality of any information contained within its bid, Proposal, this Agreement, it must identify any such information, together with the legal basis of your claim to COUNTY. CONTRACTOR agrees to defend and indemnify COUNTY for any liability, costs, and expenses incurred in asserting such confidentiality to protect documents from public disclosure. The final determination as to whether COUNTY will assert your claim of confidentiality on your behalf shall be sole discretion of COUNTY.

T. Documents:

All drawings, specifications, documents and other memoranda or writings relating to the work and services hereunder, shall remain or become the property of COUNTY whether executed by or for CONTRACTOR for COUNTY, or otherwise by or for CONTRACTOR, or by or for a subcontractor operating under CONTRACTOR'S supervision, or direction, and all such documents and copies thereof shall be returned or transmitted to COUNTY forthwith upon COUNTY written demand, termination or completion of the work under this Agreement.

U. San Joaquin County Green Purchasing Policy:

1. COUNTY has a Green Purchasing Policy; please go to website to view.:
<http://www.sjgov.org/SupportServ/dynamic.aspx?id=10128>

2. COUNTY has adopted an Environmentally Preferable Purchasing (EPP) Policy. EPP refers to the procurement of goods and services that lessen or reduce negative effect on human health and the environment when compared with competing goods and services that serve the same purpose. This comparison takes into consideration such things as: raw materials acquisition; production; manufacturing; packaging; distribution; reuse; disposal; energy efficiency; performance; safety and cost.
3. A primary goal of this policy is to encourage contractors/suppliers and departments to consider products and services that help minimize environmental impacts with price, performance and aesthetic considerations being equal. Contractors/suppliers are encouraged to offer products and services that meet legitimate "green" standards, e.g. products that possess independent third party certifications such as Energy Star, Green Seal, EcoLogo, EPEAT or FEMP (Federal Energy Management Program) standards. The County also encourages offers of products made with minimal virgin materials and maximum use of recycled materials – price and performance essentially being equal.

V. Work Product:

COUNTY and CONTRACTOR acknowledge and agree that "Work Product", and all components of it, provided or developed by CONTRACTOR hereunder or in connection herewith shall constitute "works made for hire" within the meaning of Title 17

United States Code Section 101 et seq. (the "Copyright Act"), and all right, title, and interest in and to the Custom Products shall vest in COUNTY immediately upon development. To the extent any such Custom Products may not be the sole and exclusive property of COUNTY and/or may not be a "work made for hire" as defined in the Copyright Act upon development, then CONTRACTOR agrees to and hereby does sell, transfer, grant and assign to COUNTY all copyrights, patents, trade secrets, inventions, and other proprietary rights, title, and interest in and to such Custom Products upon development. On all written material, whether in print, electronic, or any media form, constituting "Work Product", CONTRACTOR shall place or cause to be placed the following legend preferably in the lower right corner:

201_ County of San Joaquin. All rights reserved.

W. Data Security – Confidentiality

1. ***Acknowledgment of access to information characterized as covered data:*** CONTRACTOR acknowledges that this Agreement may allow CONTRACTOR access to confidential COUNTY information or COUNTY provided information including, but not limited to, personal information, records, data, or financial information ("Covered Data") notwithstanding the manner in which or from whom it is received by CONTRACTOR, which is subject to state laws that restrict the use and disclosure of the COUNTY information, including the California Information Practices Act (California Civil Code Section 1798 et seq.), California Constitution Article 1, Section 1, and other existing relative or future adopted State and/or Federal requirements. CONTRACTOR shall maintain the privacy of, and shall not release, Covered Data without full compliance with all applicable state and federal laws, the provisions of this Agreement and prior written consent of COUNTY. CONTRACTOR agrees that it will include all of the terms and conditions contained in this clause in all subcontractor or agency contracts providing services under this Agreement. Where a federal, state or local law, ordinance, rule or regulation is

required to be made applicable to this Agreement, it shall be deemed to be incorporated herein without amendment to this Agreement.

2. ***Prohibition on unauthorized use or disclosure of Covered Data:*** CONTRACTOR agrees to hold Covered Data received from or created on behalf of COUNTY in strictest confidence. CONTRACTOR shall not use or disclose Covered Data except as permitted or required by this Agreement or as otherwise authorized in writing by COUNTY. If required by a court of competent jurisdiction or an administrative body to disclose Covered Data, CONTRACTOR will notify COUNTY in writing prior to any disclosure in order to give COUNTY an opportunity to oppose any such disclosure. Any work using, or transmission or storage of, Covered Data outside the United States is subject to prior written authorization by COUNTY.
3. ***Safeguard standard:*** CONTRACTOR agrees that it will protect the Covered Data according to commercially acceptable standards and no less rigorously than it protects its own confidential information, but in no case less than reasonable care. CONTRACTOR shall develop, implement, maintain and use appropriate administrative, technical and physical security measures which may include but not be limited to encryption techniques, to preserve the confidentiality, integrity and availability of all such Covered Data.
4. ***Return or destruction of Covered Data:*** Upon termination, cancellation, expiration or other conclusion of this Agreement, CONTRACTOR shall return the Covered Data to COUNTY unless COUNTY requests that such data be destroyed. This provision shall also apply to all Covered Data that is in the possession of subcontractors or agents of CONTRACTOR. CONTRACTOR shall complete such return or destruction not less than thirty (30) calendar days after the conclusion or termination of this Agreement. Within this thirty (30) day period, CONTRACTOR shall certify in writing to the COUNTY that the return or destruction has been completed.
5. ***Reporting of unauthorized disclosures or misuse of Covered Data:*** CONTRACTOR shall report, either orally or in writing, to COUNTY any use or disclosure of Covered Data not authorized by this Agreement or in writing by COUNTY, including any reasonable belief that an unauthorized individual has accessed Covered Data. CONTRACTOR shall make the report to COUNTY immediately upon discovery of the unauthorized disclosure, but in no event more than two (2) business days after CONTRACTOR reasonably believes there has been unauthorized use or disclosure. CONTRACTOR'S report shall identify: (i) the nature of the unauthorized use or disclosure, (ii) Covered Data used or disclosed, (iii) who made the unauthorized use or received the unauthorized disclosure, (iv) what CONTRACTOR has done or shall do to mitigate any deleterious effect of the unauthorized use or disclosure, and (v) what corrective action CONTRACTOR has taken or shall take to prevent future similar unauthorized use or disclosure.
6. ***Examination of records:*** COUNTY and, if the applicable contract or grant so provides, the other contracting party or grantor (and if that be the United States, or an agency or instrumentality thereof, then the Controller General of the United States) shall have access to and the right to examine any pertinent books, documents, papers, and records of CONTRACTOR involving transactions and work related to this Agreement until the expiration of five years after final

payment hereunder. CONTRACTOR shall retain project records for a period of five years from the date of final payment.

7. **Assistance in litigation or administrative proceedings:** CONTRACTOR shall make itself and any employees, subcontractors, or agents assisting CONTRACTOR in the performance of its obligations under this Agreement available to COUNTY, at no cost, to testify as witnesses, or otherwise, in the event of litigation or administrative proceedings against COUNTY, its directors, officers, agents or employees based upon a claimed violation of laws relating to security and privacy and arising out of this Agreement.

8. **No third-party rights:** Nothing in this Agreement is intended to make any person or entity who is not signatory to the Agreement a third-party beneficiary of any right created by this Agreement or by operation of law.

X. Entire Agreement and Modification:

This Agreement and all documents incorporated by reference supersedes all previous Agreements either oral or in writing and constitutes the entire understanding of the parties hereto. No changes, amendments, or alterations shall be effective unless in writing and signed by both parties.

IN WITNESS WHEREOF, COUNTY and CONTRACTOR have executed this Agreement effective on the day and year first written above.

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, Carahsoft OBO County of San Joaquin (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
