Hello Redistricting Advisory (RAC) Committee Members:

Attached are the **Redistricting 101 training slides** from the RAC Training Session #1 - they'll be a useful reference when drawing the district lines.

I really appreciated getting to meet most of you in-person on Wednesday. I want to give Mamie a special "thank you" for bringing the delicious cookies! Admittedly, I ate my two cookies on the drive home that evening and loved every bite.

I wish you all a safe and wonderful Fourth of July!
