RE: Local Redistricting

Hi Ronnelle,

Thank you for your interest in San Joaquin County's 2021 Supervisorial Redistricting process. Your public comment form submission was received too late to be read into the records of the meeting, so the Clerk of the Board forwarded your request to the redistricting team for comment.

San Joaquin County intends to conduct a fully transparent redistricting process, and hopes to encourage a high level of public participation. On January 26, 2021 the San Joaquin County Board of Supervisor's approved the 2021 Supervisorial Redistricting Plan (Plan). The Plan includes provisions for full compliance with AB 849 and other applicable laws.

The Plan calls for the formation of a Redistricting Advisory Committee (RAC) and the acquisition of an independent redistricting consultant to facilitate the process and assist staff and the RAC with developing map boundaries compliant with all requirements and in conjunction with public comment on the process.

You may inspect all relevant Board materials pertaining to the 2021 Supervisorial Redistricting Plan at the County's redistricting website: <http://wedrawthelines.sjgov.org/meetings.aspx>

(Please understand that the redistricting website is still in its early stages of development – additional material will be added as it becomes available.)

If you have any further questions, please feel free to call or email me directly.

Sincerely,

David Bollinger, GISP
