

00:33:02 Dave Bollinger: Chat will be monitored and recorded. Please refrain from personal attacks and offensive language. Inappropriate behavior may be grounds for ejection. Please ask to be recognized if you wish to speak publicly.

00:33:14 Dave Bollinger: James - we're not quite "live" yet, soon

00:33:29 jamesgrunsky@hotmail.com: 10-4 thank you

00:45:25 alice: Thank you

00:49:49 jamesgrunsky@hotmail.com: anyone else having audio or video issues?

00:50:33 Dave Bollinger: James - we're not noticing any trouble on this end, do you have video at all?

00:51:08 jamesgrunsky@hotmail.com: yes just frozen, i will try to refresh

00:52:20 Dave Bollinger: James - you might try disabling your video OUTPUT, in case it's a bandwidth issue

00:56:33 alice: none thanks

01:05:31 Mary Elizabeth: would it be possible for folks to introduce themselves before speaking.

01:07:00 Dave Bollinger: Yes, excellent point, we'll try to do better in that regard.

01:07:40 Dave Bollinger: FYI: <http://wedrawthelines.sjgov.org>

01:08:56 Mary Elizabeth: which utiities?

01:13:06 alice: yes

01:17:22 Dave Bollinger: For the chat record: First pass will be those utilities provided by the county itself, since we have direct control over the billing. PG&E has also been contacted, though they seem unable to assist. Add'l agencies (local govs and util providers) will be researched as well, but nothing to report on that front yet.

01:37:07 alice: not right now

01:41:27 Dave Bollinger: RAC members: I'm monitoring chat continuously, so if you ever DO have a question, you can just ask "whenever" and I can note it for the chair when he calls for it "later"

01:42:18 alice: thank you, Dave

01:45:37 alice: yes, were good so far

02:09:04 alice: not sure if this question is for Angelo or Paul, Angelo mentioned that data will be available in September, do you have an idea when, in the beginning of September or mid-September? Will this effect our public outreach workshop which are already schedule?
