Hello Monica,

We would like to conduct a presentation about the San Joaquin County's Supervisorial Redistricting process. Let me know when it would work best for us to present to The Stockton Younger Women's Task Force.

Please provide me with a few dates and times so I can coordinate with our Redistricting Representatives.

If you prefer, feel free to call me at (916) 390-0670 and we can discuss the meeting logistics.

Thank you,
Glen

How would I go about helping you when I am doing a job for the county that I cannot get a promotion in because I dont qualify based on my schooling. But I am doing the job. Furthermore, can you please explain to me what the heck redistricting is and what it does for me as a home-owning, taxpaying, county employee??????
Thanks

Interesting that I received your email to attend your meeting the day after your meeting was held. Is that because you don't want the public to attend and why is that?
Could it be you don't want input or objections to what you are proposing?
