00:39:00 Robin Cole: Can you explain why you had a political preference question in the survey that went out? I was under the impression that that is not something that should be asked. Can you clarify please?

00:41:07 Dave Bollinger: I believe the 'survey' you reference was a product of our state-level team, and I'm not sure that I can properly answer the question - we're the local-level (supervisory) team right now, but the state-level meeting will follow this one, you could perhaps re-ask your question of them. (or I can seek a follow-up for you)
