Dear Board Members:

Oral Report on 2021 Supervisorial Redistricting Efforts

RECOMMENDATION

It is recommended that the Board of Supervisors accept the oral report on Supervisorial Redistricting efforts including the district maps being considered by the Redistricting Advisory Committee (RAC).

REASONS FOR THE RECOMMENDATION

As of the date of this report, the RAC will have convened scheduled meetings on October 13, 2021, and October 27, 2021. During those meetings, the RAC will have reviewed the Voting Rights Act (VRA) Section 2 requirements as they pertain to District 1. Additionally, the RAC will have been presented, discussed, and analyzed proposed district maps. The proposed maps were created by Redistricting Partners based on maps submitted by the public and then modified to include RAC and community goals and to comply with the VRA Section 2 requirements. Redistricting Partners will present to this Board the most recent supervisorial district draft map iterations created for the RAC to consider, along with the VRA and community of interest basis for the draft maps. Community Development Department (CDD) staff will review the upcoming Supervisorial Redistricting event schedule from the date of the update through December 15, 2021.

FISCAL IMPACT

There is no fiscal impact associated with this update.

ACTION TO BE TAKEN FOLLOWING APPROVAL

CDD staff will continue to coordinate supervisorial redistricting efforts with assistance from supporting departments and contractor Redistricting Partners as directed by the Board.

Sincerely,

DAVID W. KWONG
DIRECTOR
