ANGELANN FLORES

Professional Summary

Objective: To obtain an opportunity in which I can apply my personal experiences, perseverance, and education in a professional business establishment. As well as ensuring my abilities to work in a team environment and making a difference in people's lives. Throughout my career experiences, I have collaborated with principals, teachers, families, parent organizations, businesses, community partners, and other staff in order to help develop a family-friendly after school climate by developing programs and activities designed to engage families in improving student achievement and enhancing communication between parents and families and school staff. I have worked with at risk youth in the classroom, in the community, as a youth mentor and community advocate.
